## OUR PRINCIPAL

Mr. Parker's ardent love for the students of Forest Avenue High School has made for him an eternal spot in the hearts of every Forester. His patient, enduring kindness, his ambitious spirit, and his humorous outlook on life have encouraged and inspired those who have had the privilege of knowing him. Mr. Parker's uplifting faith is an inspiration to youth who aspire to the higher things of life.

## DOING, DARING, SHARING

I should like to be personal with you, and as direct as if we were engaging in conversation with each other. Look at those three words again, for there is much power in the life that dares, does, and shares. Such a life is one of adventure, and there are tremendous hidden possibilities and responsibilities in it. If you will make this secret power your very own, you can never be the same person again. It will extend your horizon, broaden your outlook, and discover in you new capacities for living and growing. It will produce such a light in you that others will search you out to receive light and warmth.

I would have you remember always that you have only one life to live, and what are you going to do with this life? I hope you will resolve every day to live as if this were your last day on earth, that you will dare to be your best and do your best, that you will give a portion of yourself away as you remember that you get to give. I want you to desire those things that are of permanent value, and to develop and use your talents for the glory of Him who gave them to you. William H. Danforth says in his little book "I DARE YOU," "Our least valuable possessions are those which, when divided, are diminished; while our most valuable possessions are those which, when shared, multiply, those which are actually increased by sharing."

As you read this little message, I want you to keep in mind that your life is four-sided, and that you have not one but four lives to live. You have a body, a brain, a heart, and a soul to develop, which is to say you have a four-fold opportunity to grow. What a golden opportunity to use these wonderful gifts you have as you launch out on another lap of the way. You are to enjoy physical adventures, mental adventures, social adventures, and spiritual adventures, all at once. The more you pour out of your life, the more you have to release; the more you share with others, the more you have for yourself; and the more you give, the more you get.

You agree with me that health is essential to individual success. Health is the foundation of a nation's progress. A hollow chest and a pair of drooping shoulders will never get you to the top of the ladder of achievement. "About face! Muscles strong! Chest up! Head erect!" I do not know any secret to health except just plain common sense. I challenge you to exercise every day, and to attack this problem of health in the right attitude. Walk a mile a day; drink eight glasses of water every day; and get eight hours of regular sleep every twenty-four hours. You will succeed or fail individually in your quest for physical fitness. Nobody else can do this for you. I leave this thought with you: "Physical strength is the backbone of success and happiness in every walk of life. Get health and keep it."

I remind you that your brain is one of your big assets. I beg you to set your mind free for big things in life, and to use it for all the power it can give you. Think, think, think! The big prizes are for the people who think, for the people who dare to think hard, to think often and intelligently, and to think creatively. I have never seen a time when there has been such a demand for ideas. The Edisons and the Marconis were the long-range thinkers of yesterday; but where

## DARING, DOING, SHARING

a hundred inventions were made in their day, there will be a thousand new ones tomorrow. You can be one of those long-range thinkers, and I dare you not to give up until you shall have produced at least one creative idea, until you shall have given the world your masterpiece in creative thinking.

How important is your personality! I dare you to develop a personality that will be magnetic. I challenge you to make your personality attract other people. I know that personality is more or less intangible, but I also know that it is real and a tremendous force in one's life. I realize that personality is more or less illusive in its nature, but you can develop it so as to become magnetic and inspiring. What are some of the characteristics of the great personalities you have known? For one thing, the people who have magnetic personalities are sympathetic. They can put themselves in your shoes. They understand you in your ambitions to get ahead in life. Those who inspire others are also thoughtful. They never forget their fellow crusaders at their elbows. Thoughtful persons give themselves away, and their valuable possessions multiply when they are shared.

But my friend, hidden down in every human being is some of the Divine. To say it as another has said, there is a little bit of God in every human being. By nature man has the capacity for spiritual life, and unless it is developed the body, mind, and personality cannot function at their best. One must be born again, born from above. Old things must be left out of our lives, and all things must become new. This new creature in Christ decides for right when he is confronted by temptation. He is at all times fair, honest, just, and trustworthy, because he has the Spirit of Christ in him.

As long as you are true to your trust from above and faithful to your fellow men, that long will you love your home, your school, your church, your city, your state, and your nation and be loyal to the government. With your life thus positioned it becomes richer, fuller, larger, and better as you shape each experience into a new and finer experience. For you now, I trust, the completion of one good deed will be only the beginning of another worthy undertaking. I hope you will do one good deed after another and say nothing about it to anyone. That is the kind of daring, doing, sharing life that I am challenging you to live. I want to close this little message to you with a quotation from Dr. Fosdick in "The Meaning of Service."

"The Sea of Galilee and the Dead Sea are made of the same water. It flows down, clear and cool, from Hermon and the roots of the Cedars of Lebanon. The Sea of Galilee makes beauty of it, for the Sea of Galilee has an outlet. IT GETS TO GIVE. It gathers in its riches that it may pour them out again to fertilize the Jordan plain. But the Dead Sea, with the same water, makes horror of it, for the Dead Sea has no outlet. IT GETS TO KEEP, and that is the difference between the Sea of Galilee and the Dead Sea. That is likewise the radical difference between a selfish and an unselfish man—the former gets to keep, while the latter gets to give. We all do want life's enriching blessings; we ought to want them; they are divine benedictions. But some men get to give, and they are like Galilee; while some men get to keep, and they are the brackish water that covers Sodom and Gomorrah."

—WYLIE A. PARKER.

## SENIOR COUNSELLORS

Miss Rowe is one of the persons that we could not get along without. She has shown us the right way and let us decide for ourselves if we wish to follow. Miss Rowe has fondly been called "the guiding light" of the Seniors.

Mrs. Brown, through her sweet disposition and high ideals, has engraved her name on the hearts of all the Seniors. Mrs. Brown will always be remembered and loved by every member of the June Class of '39.

## OFFICE ASSISTANTS

Mrs. Field has established a place in the hearts of all students of Forest because of her sweet nature, her capability, and her willingness to help us. Because of these endearing traits, Mrs. Field is a "favorite" of Forest.

## Welcome to Forest

Forest is indeed fortunate in having many valuable recent additions to its already capable faculty . . . Among these is Mr. Richard Allison, who holds a B.Ed. degree from Texas Christian University. He formerly taught at Iowa Park High School. A graduate of Forest himself, Mr. Allison now coaches instead of starring on the Lions' athletic teams . . . Mrs. Frances Beilharz, a graduate of Texas State College for Women, is welcomed back to Forest, where she was a former member of the faculty . . . Graduates of Asher Silberman were especially glad to greet Mrs. Anna C. Bryan, who had taught them English. She received her M.A. degree from Southern Methodist University . . . From Vernon High School comes Mr. Burnett Cox, a graduate of Austin College. Mr. Cox is another product of the Dallas Schools, having finished at North Dallas . . . Miss Mary Drake, who formerly taught at J. L. Long Junior High School, is a graduate of the University of Nebraska . . . With an M.A. degree from the University of Texas, comes Miss Octavia Edwards, who formerly taught in Stephen J. Hay Elementary School and the University of Texas Summer School. Miss Edwards spent a year at the Sorbonne in France . . . From Texas University, too, comes Mr. C. L. Ford, a former teacher at North Dallas, which yields this capable instructor to Forest . . . Another recruit from the Dallas Schools is Mr. F. E. Lyons from Sunset. Mr. Lyons received his B.S. degree from the University of Beaumont . . . Miss Lavinia Rawlins, who holds an M.A. from Columbia University, comes to us from Woodrow Wilson . . . From Mount Auburn comes Miss Mabel Whittington, a graduate of North Texas Teachers College . . . Cumberland Elementary School's loss of Miss Angie Wynn is our gain. Miss Wynn has an M.A. degree from the University of New Mexico . . . Forest welcomes these new members, who have already demonstrated their ability.

This being the first year that the physical education grounds have been used, the Principal, Faculty, and Student Body of Forest Avenue High wish to express their gratitude to the Dads Club for securing this long-felt need. The school is also indebted to the Dads Club for the complete lighting of the building. The new auditorium curtains are also due to the efforts of members of the club. This strong club has strengthened the general morale of the entire school.

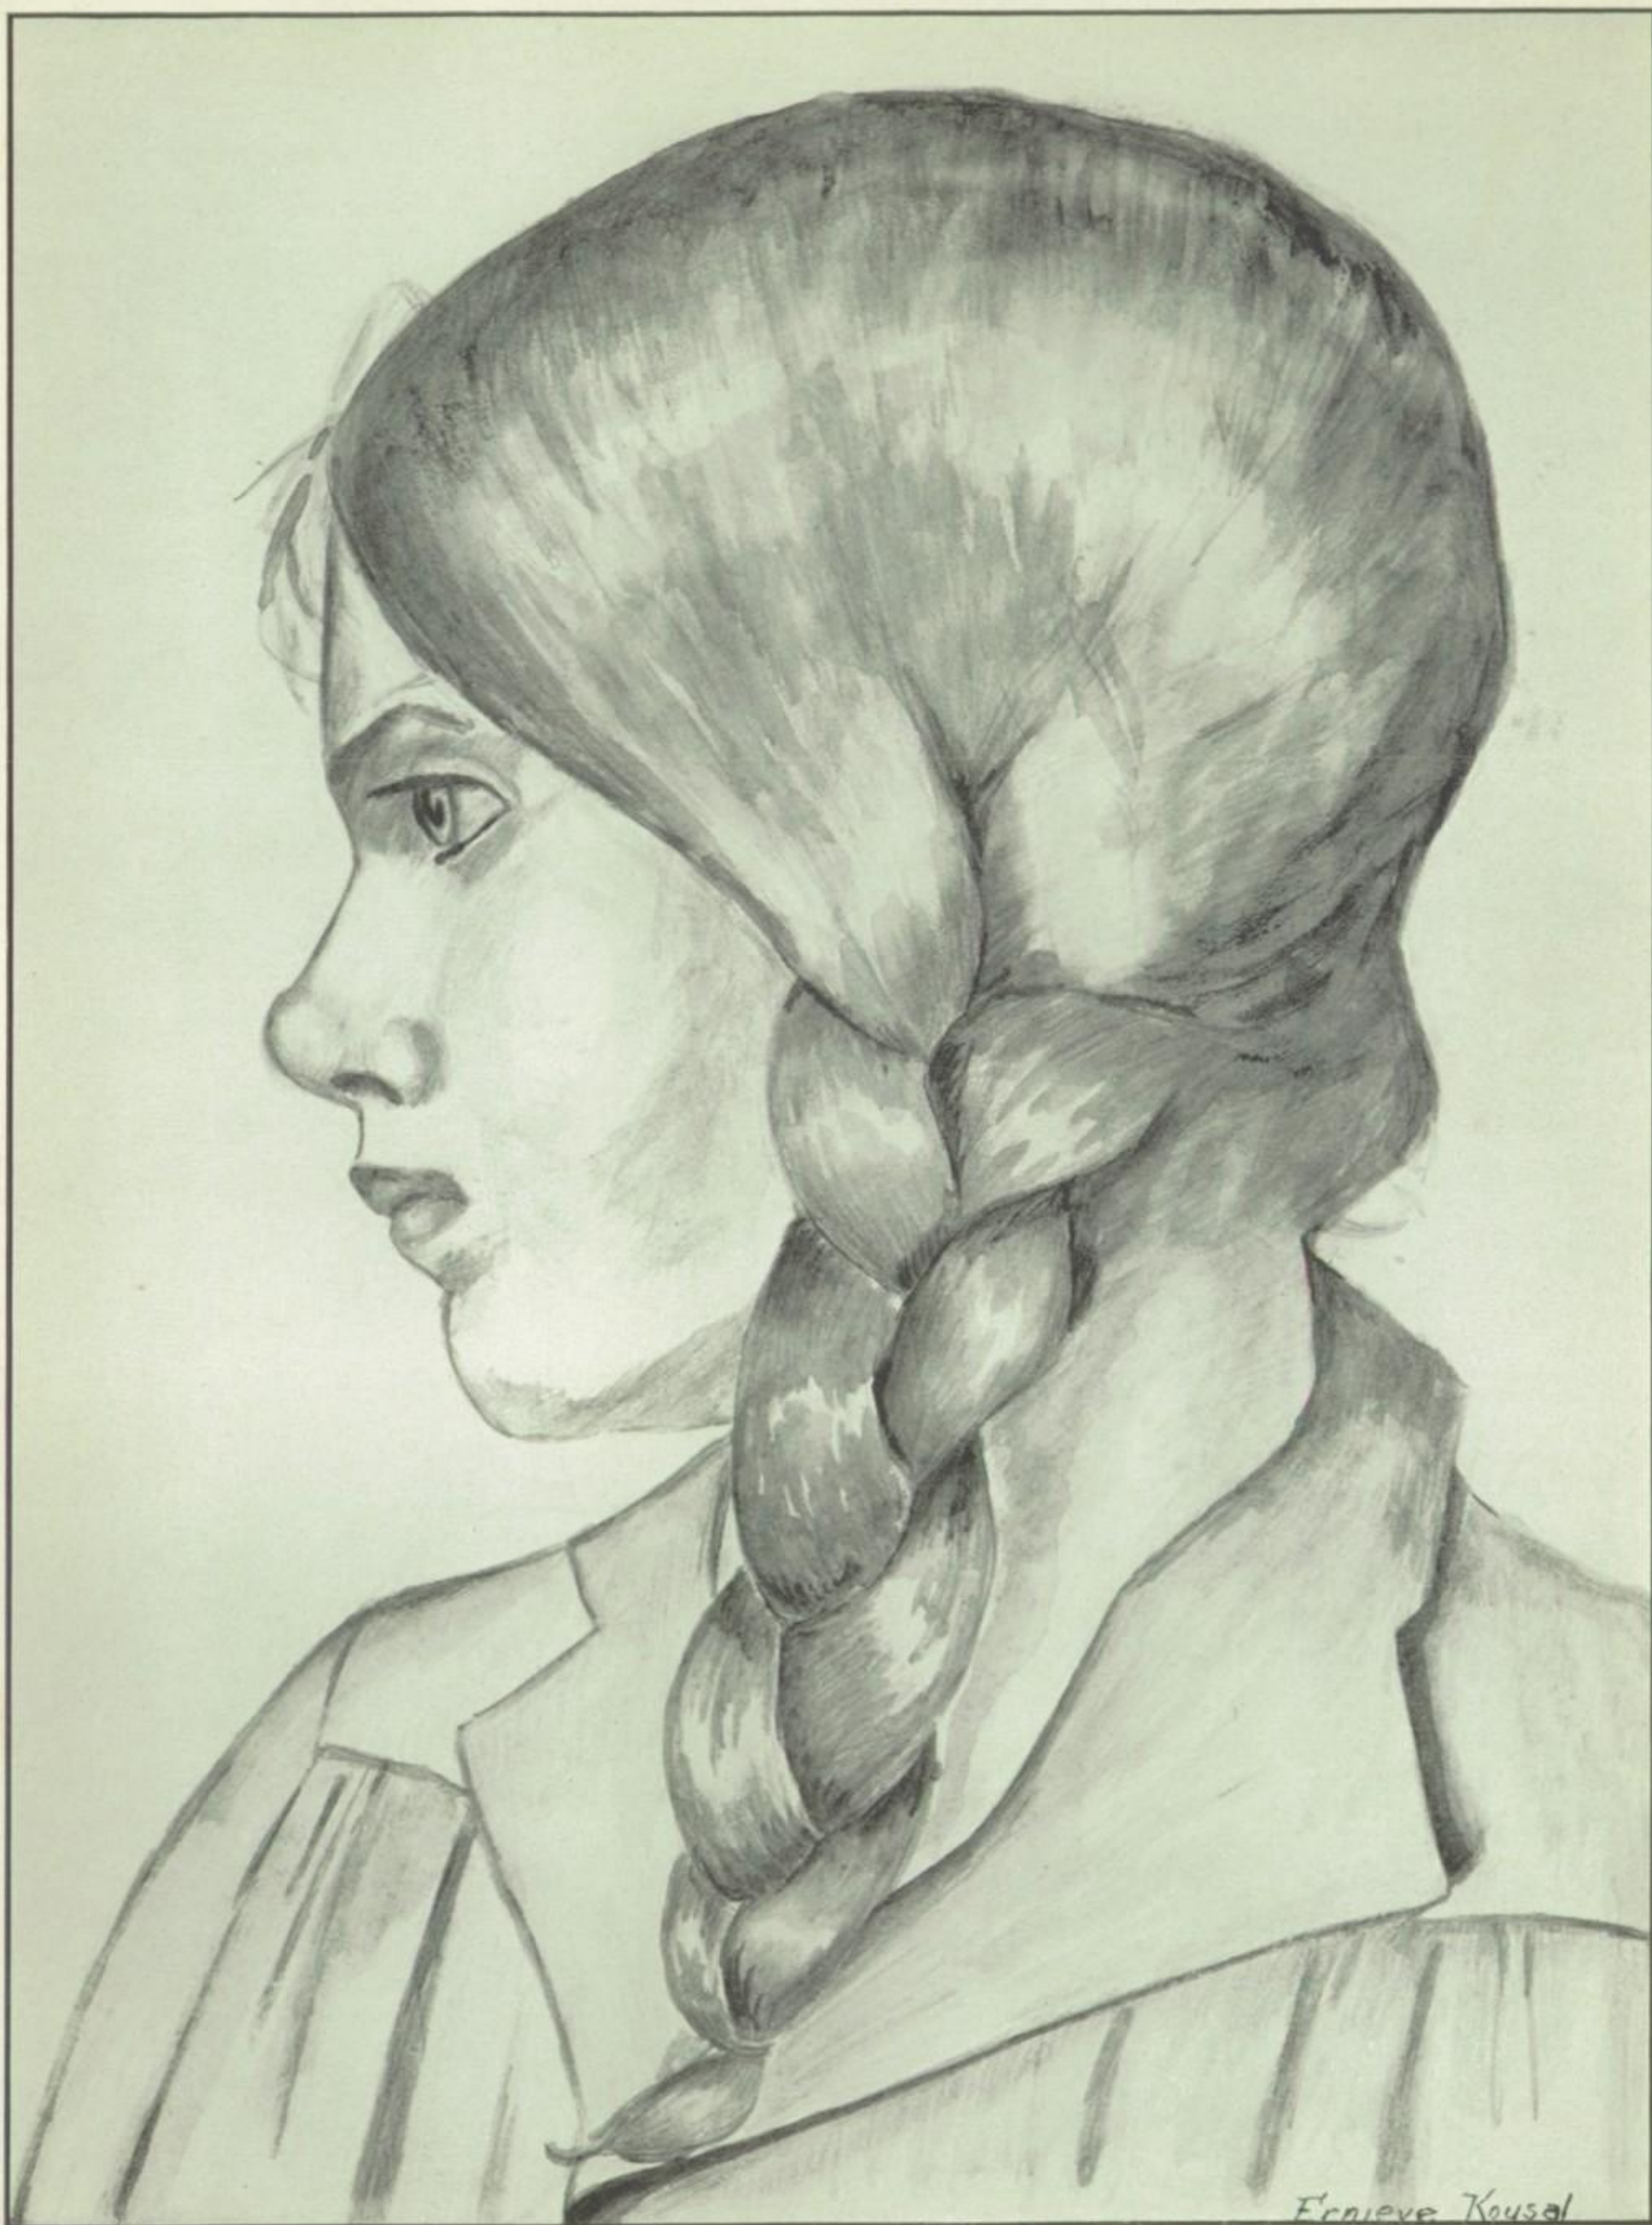

One of the largest, most successful football banquets was held in the Forest cafeteria at the close of the current season. The club also plans to take part in the Forest Fun Frolic of 1939 and to take some steps toward providing bicycle racks for the school.

Two members of the Forest Dads Club were recently elected to the City Council.

## JANUARY, '40 CLASS

Hear ye! Hear ye! Hear  
Of the IV-B class since its freshman year.

'Twas in 1936 on a February day  
We entered Forest with a loud "hooray".

For our first president in the high school whirl  
We elected Bea Fox, a most capable girl.

Our I-A president was of a well-known clan  
Of course, you know it was Margaret Harlan.

The II-B president who went to bat  
Was yours truly, Frances Kovnat.

Our II-A president was Margaret Harlan,  
Who again accepted the call to command.

Crawford Ballard led us through our III-B year.  
And our memories of that term are very dear.

Gordon Fletcher as III-A president was a whiz;  
In fact about the best there is.

We gave a sport dance that made news with a flash,  
A dance that meant for us plenty of cash.

Our Junior Prom was quite a success,  
Although I wasn't there, I must confess.

And now we have chosen Billy McManemin to lead,  
Pray tell me how we can but succeed.

A word for Miss Elder, our sponsor and friend,  
Who has always had a helping hand to lend.

And now for our counsellor, Mis Edna Rowe,  
Who has chosen the path upon which we go.

The events of next term are unknown as yet,  
But they'll be great, I'm willing to bet.

And then we shall look forward to our "Commencement Day"  
When we each shall go our separate way.

—FRANCES KOVNAT.

We became III-As with high hopes to make it the best year so far of our high school life. We planned many activities to make money in order to give our Junior Prom, and everyone was able to take part in all the preparations.

All through this, our sponsor, Miss Davidson, faithfully advised us and worked with us. With all this cooperation we feel that this year has been most successful.

This year we of the II-A Class feel that under the guidance of Miss Drake we have made a great deal of progress.

The programs have been very interesting, some of them consisting of songs, dances, piano solos and other musical numbers.

Our chief aim has been to have more II-A's at our class meetings. We hope to lay a good foundation for our two years as upper classmen.

The I-B and I-A officers preside at alternating meetings.

Various organizations such as Chorus, R.O.T.C., the Standard Debating Society, and Girls Public Speaking Club have instructed students about their purpose and have asked many of the freshmen to join their organizations. Thus it is through class meetings that freshmen are introduced to the many activities at Forest, and are aided considerably in making a selection of the activities each student wishes to take part in.

No honor conferred by the school excels that conferred by the National Honor Society. The faculty honors students for the attainments they have made during their high school career by electing them into this society. Election into this society gives recognition to those who have attained high honors in scholarship, leadership, character, and service. Only students who rank in the upper fourth of their class in scholarship are eligible to be considered as candidates. An assembly is held each term initiating the candidates.

The emblem of the society is the keystone and the flaming torch. The keystone symbolizes the high ideals of the society, while the flaming torch is the emblem of purpose. The members of the National Honor Society endeavor to lead so that others may follow in the light, and to keep burning in Forest Avenue High School a high ambition for the enduring values of life.

The Aelta Historical Society was founded in 1931 by a group of students interested in history, with Miss Minnie Brown as sponsor.

The aims of the club are the promotion of the study of history, and the advancement of the ideals of citizenship. In the early fall a study of national affairs was made. In our annual Armistice assembly Dr. John Owen Beatty, professor of English at Southern Methodist University, gave an address on "Ways of Peace."

On November 12, the club celebrated its seventh birthday. Betty Erwin gave an original poem in commemoration.

Edward Summerfield was voted the most efficient member for the fall term and was presented with a loving cup.

Our assembly of the spring term was in commemoration of the one hundred and fiftieth anniversary of the inauguration of Washington as President.

The purpose of Le Cercle Francais is to make the members better acquainted with the lives and customs of the French people. Its aim is to make French more interesting to the students belonging to the club.

Each year, at Christmas time, we have our annual "Noel Party." At this party we discuss the typical French Christmas.

Miss Edwards, who is our sponsor this year, has been very interesting because she has so much knowledge of the French people's ideas and customs.

The new Allied Arts Club was organized under Miss Mel Mitchell's sponsorship in the early fall of 1938.

Formed to promote an interest in fine arts, the club has brought notable speakers to impress upon the members the fact that art today remains vitally alive. Regular excursions are made to the Dallas Museum of Fine Arts to view the many fine paintings displayed there at intervals.

Every year at the Christmas season it is the custom of the club to join with the Music Department to present the Christmas assembly.

While the study of the club is directed primarily to work of the modern painters, we study the old masters to enable us to judge more accurately the output of the contemporaries.

The club's membership is not limited to students of art, but to all who are interested in furthering art appreciation. Members are encouraged to practice artistic self-expression in order to develop their individualities.

The purpose of the Auditores Caesaris Club is to help the students taking Latin to understand more about this language. We gain more knowledge of the Roman plays, art, religion, and games. It gives us a broader idea of the value of Latin.

The weekly programs consist of different plays and talks on phases of Roman life. Games are played, and sometimes we have a guest speaker.

The Hi-Y Clubs are sponsored by the Young Men's Christian Association and affiliated with the state and national Hi-Y Clubs.

The purpose of the club is to create, maintain, and extend throughout the school and community high ideals of Christian character.

Clean living, clean speech, clean athletics, and clean scholarship is the club's slogan.

In the past year the Hi-Y Club of Forest was well represented in the preparation of Thanksgiving and Christmas baskets, the donation of old clothes to the News Boys Club, and in attendance at the Older Boys Conference.

The Boys Glee Club, an active group at Forest, has sung throughout the year on many occasions. On Armistice Day, they presented a cantata, "Land of Hope and Glory", in an assembly.

During the week preceding the Christmas holidays, the boys in conjunction with the Art Classes, presented several beautiful Christmas songs, and on Friday, December 23, they marched through the halls singing Christmas carols.

February 9, the Boys Glee Club sang a group of three songs at a regular meeting of the Forest P. T. A.

Later in the spring the chorus classes presented the operetta "Hollywood Extra" by Charles Wakefield Cadman.

The Junior Red Cross was organized three years ago for the purpose of rendering needed services to the school, city, community and state, Since that time the club has headed all school activities for helping needy families during the Thanksgiving, Christmas and Easter seasons. We have delivered baskets of groceries, have given parties for orphan homes, and we have conducted a survey in "Little Mexico." At present the club members are being offered life-saving lessons, and our next ambition is to establish a class in first aid at Forest.

The Dallas Historians, an organization of Freshmen, has become interested in the history and achievements of Dallas as a result of the entertaining and instructive programs given at the Hall of State by the Dallas Historical Society.

Under the direction of Mr. Herbert Gambrell and Mr. Julius Dorsey, this Society has presented a series of programs on life in Dallas during the past century.

At the February meeting, Mr. G. B. Dealey, president of the Society, gave a very entertaining talk on his recollections of Dallas in the late 1800's. The recollections were cartooned by Mr. Knott. Mr. E. D. Walker led in singing a group of Texas songs.

A speech about "Dallas in the Days of Indians and of John Neely Bryan, and the Coming of the Railroads" was given by Dr. Justin F. Kimball at the March meeting. Dr. Kimball gave credit to the courageous and active citizens for the growth of our city.

Plans are being made for similar programs for next year. Further study of our heritage from Dallas pioneers are made in our meetings at school.

The Student Council of Forest Avenue High School was organized in 1938 to help the students with student government. The purpose of this club is to promote, with the approval of the faculty, more interest and better activities in Forest Avenue High School.

The qualifications for membership are as follows: All students in the council must be passing in four solid subjects; elective officers should hold no other offices.

This year the Council has been making plans for uniforms for the band. The cheer leaders were selected with the help of the Student Council. The "Lost and Found" has also been taken over by the Council.

The Forest ECHO is a newspaper of school activities published bi-weekly during the school year by the journalism students of Forest High, and sponsored by Miss Eloise Durham, teacher of journalism. The purpose of the ECHO is to serve Forest in a constructive way by entertaining and informing the students.

Last September a new staff took charge of the ECHO for the fall semester. In January the staff published an eight-page senior edition.

In February a new staff took over the responsibility of editing the ECHO and published the first edition of the new term on the fifteenth of that month.

The 25-50 Club is a group of Forest Avenue High School boys and girls organized for the single purpose of reducing traffic accidents and traffic deaths in the cities and on the highways.

Most traffic fatalities are due to fast or careless driving, or both. The aim of the organization is to control speed by keeping constantly before the driver the insignia of the 25-50 Club.

This insignia is a barbed club with the numbers 25-50 made over it. The club represents the number of people injured by motor vehicles in the city of Dallas during the preceding year, each barb represents one of the twenty-six deaths during the fiscal year of 1937-38. We hope to reduce the number of barbs on the next year's club by putting one of our stickers on the lower left-hand corner of the windshield of our cars, which is a constant reminder not to go over 25 m.p.h. in the city or over 50 m.p.h. on the highways.

MAJOR HARRY E. MENEZES

The Corps of Forest Avenue High School is very fortunate in having Major Harry E. Menezes as its Commandant. He is a great asset to our Corps and school in that he is a very patient and instructive person. The success of the Corps has been largely due to his undivided attention.

## R. O. T. C.

Under the capable leadership of the Commandant, Lieutenant-Colonel Ralston and Major Lyles, the cadet corps of Forest Avenue High School has increased its strength and efficiency to standards high above former years.

The corps did the best that has ever been done on the Federal inspection held by Colonel Keys from Fort Sam Houston. This proves what a cadet-controlled corps can accomplish under the leadership of its own cadet officers.

The corps had one of the best rifle teams that Forest Avenue High has ever had. It competed in the All-City matches and brought the individual scoring honors to the school.

The Crack Company drill to be held May 12 culminates this year's work of the Third Regiment, and it is probably the most important and most discussed event on the military training schedule. Forest companies have always ranked high in spirit and drill. We won third place last year.

This company has within its ranks officers, non-commissioned officers, and a few of the outstanding privates; it is truly the "cream of the crop." Drills are held for one hour every morning before school, and everything is forgotten in the serious task of developing a flawless company.

The officers of the Crack Company have high hopes that our company will win first place this year. The spirit and willingness of every man to put his best into the task is evident, and Forest is proud of its Crack Company.

### FOREST, 6—CONROE, 12

Forest, although beaten in the first five minutes of the game, played good ball. Waldie, for Conroe, slipped through the Lions for two touchdowns in the first quarter, pass from Pribble to Stone clicked, and two plays later Pribble carried the ball over his left tackle for "pay dirt." The Lions played most of the period in Conroe territory, but lacked that extra punch. Outstanding for Forest were the co-captains, Norman Pribble and Buddy Weber.

### FOREST, 6—HILLSBORO, 7

Although defeated by one point, the Lions thoroughly outplayed the Hillsboro eleven, as can be seen from the Lions' 241 yards running against Hillsboro's 85.

Hillsboro's only attack was their fine passing offense and defense. Pribble and Clark continually pounded the left side of the Forest line for long yardage each time. Forest's lone marker was scored by Tommy Clark on a plunge through left tackle.

### **FOREST, 0—WOODROW WILSON, 12**

Woodrow defeated an over-confident Forest eleven to the tune of 12 to 0 in the first Forest City Series game at the Cotton Bowl.

In the first half the two teams played a toss-up, but in the early moments of the last half, Woodrow struck "pay dirt" on a lateral play. Then in the last quarter, the Wildcats again scored. The Forest Team made several attempts to score, but each time failed.

### **FOREST, 0—AUSTIN, 38**

Austin, which outweighed Forest ten pounds per man, walloped the Lions to the tune of 38 to 0. Forest made most of the yardage by long passes to Womack and Gillespie. In this game Pribble truly proved himself to be an all-city quarterback. On the defense for Forest, Sultis, Weber and Gillespie were outstanding.

### **FOREST, 6—SUNSET, 26**

Sunset's fighting Bisons proved too much for the less experienced Lions in the Lions' second City Series defeat. Unable to do much on running plays, Pribble took to the air and threw a pass for the lone touchdown, which was to Womack, sophomore right-end for Forest. Pribble was the outstanding performer for Forest.

### **FOREST, 6—NORTH DALLAS, 24**

In this game the Lions were completely upset by the cellar-bound Bull-Dogs. Forest's lone score came in the latter part of the third period when Pribble galloped around his own right end for forty yards and a touchdown. The Lions threatened the North Dallas goal line four times, but failed to have the good help of Lady Luck. North Dallas' scores were long passes flung by the arm of Earl Austin.

### **FOREST, 7—BONHAM, 6**

On a sloppy, muddy gridiron the Forest eleven defeated the Bonham Warriors 7 to 6. The touchdown was a pass play, Pribble to Gillespie, good for fifteen yards and a touchdown. The game was won by the perfect conversion of "Little Lloyd Vann" after the touchdown and his excellent "booting" on punt plays to keep the Warriors deep on their own goal line.

### **FOREST, 19—TECH, 24**

The Lions started off with a flash by scoring in the first few minutes of play. After carrying the ball to the opponents' forty-yard line, Pribble stepped back and threw a short pass to Womack, who, behind beautiful blocking, raced over the goal-line. Tech then retaliated and scored twice in the second quarter to end the half, 12-7.

Tech was the first to score after the intermission, but Forest, fighting harder than ever, scored two touchdowns in fourteen minutes to take the lead. In the last three minutes of play, however, Tech again crossed the white stripe to end the game 24 to 19.

### **FOREST, 12—ADAMSON, 6**

On November 19 the Forest Lions "opened up full blast" and defeated the Adamson Leopards in their last game of 1938. In the first half the Lions advanced the ball down to their opponents' twenty-yard line with Pribble, Clark, and Stone carrying the ball. Pribble, who played his outstanding game of the season, then completed a pass to Gillespie, putting the Lions six points in the lead.

In the second half the Lions came back even stronger and soon crossed the white stripe again. This time Clark was the scorer. The Leopards then scored on a short pass, but failed to go any farther than one tally.

#### FOREST CUBS, 15—TECH, 13

The Cubs gave a much better account of themselves by eking out a victory over the Technical second team. Hearne and Schreiber starred for the Lions.

#### **FOREST, 15—WOODROW WILSON, 48**

The defending State Champions from Woodrow had little trouble defeating the Forest Lions in the Lions' gym. Simpson of Woodrow grabbed scoring honors with 15 points. Singletary and Weber starred for the Lions, with four points each.

#### **FOREST CUBS, 14—WOODROW WILSON, 12**

The Cubs came through with their second win. Charles Schreiber starred by scoring the two points that won the game.

#### **FOREST, 22—ADAMSON, 21**

The Lions won their first city series game at the expense of the Adamson Leopards. The Leopards were leading 21 to 19 with ten seconds to play when Stone made the last two points. The Leopards tried desperately to regain the lead, but the gun put a stop to their chances. Stone led the scoring for the Lions with 11 points.

#### **FOREST CUBS, 26—ADAMSON CUBS, 17**

The Cubs won their third straight game. The Forest boys outplayed the Adamson team from the first few minutes until the end of the game. Hearne led the scoring with eight points.

#### **FOREST, 20—SUNSET, 24**

The Lions met with their third defeat of the first half of the city series race. The Sunset Bisons won the game by only four points. Scott led the scoring for the Lions with eight points, and Lloyd of Sunset also scored eight points. Weber played an outstanding defensive game for Forest.

#### **FOREST CUBS, 18—SUNSET, 16**

The Forest Cubs won their fourth straight victory of the season. They had a great deal of trouble defeating the Sunset team. Hearne was high scorer with five points.

#### **FOREST, 23—NORTH DALLAS, 16**

Forest won the second game in the first half of the city series race. It was a very close game from the first minute to the last. Scott led the scoring with 11 points, and Gillespie starred on defense for Forest.

#### **FOREST CUBS, 17—NORTH DALLAS, 16**

The Forest second team went through the first half without a defeat. Hearne was the leading scorer with six points.

#### **FOREST, 20—TECHNICAL, 29**

The Forest team was defeated in its first game of the second half of the city series race by the Tech Wolves. The Forest team was greatly helped by the splendid defensive and offensive work of Tom Gillespie. Jimmy Stone was the leading scorer with nine points.

#### **FOREST CUBS, 15—TECHNICAL, 33**

The Forest Cubs did not fare so well as they did the first half. The Cubs were led by Hearne and Schreiber, with six points each.

#### **FOREST, 24—WOODROW WILSON, 29**

The Forest team gave the State Champs the scare of their season. The score at the half was tied at 13 all, but Woodrow got several breaks that they took advantage of. This was one of the best games of the season. The Lions were led by Scott, high-point man, with 11 points. Stone, Lillebridge and Scott played a good defensive game.

#### **FOREST CUBS, 5—WOODROW, 16**

The Cubs displayed a great deal of spirit, although they did lose. Schreiber and Boronstein led the Lions, while Saba of Woodrow took scoring honors with six points.

#### **FOREST, 24—ADAMSON, 29**

The Forest Lions were not able to repeat the victory over the Adamson Leopards. The quintet tried desperately to overtake the Leopards, but the time was limited. Lillebridge was outstanding on the defense, and Mitchell led the scoring for Forest with 11 points. This was said to be the most exciting game of the season.

#### **FOREST CUBS, 17—ADAMSON, 18**

The Forest Cubs couldn't seem to get into the swing of old times. The Cubs couldn't overtake the Adamson team because of the big lead Adamson had at the end of the third period. Schreiber starred for the Lions with six points.

## BASKETBALL

### SECOND TEAM

**First Row:** Left to right—Hymie Boronstein, Jack Flood, Hayden Drake, Simon Okon, George Gilkerson, Warren Hunter.  
**Second Row:** Left to right—Isadore Landsberg, George Hearne, Ralph Hollywood, Arthur Primrose, Charles Weber, James Moore, Donald Fletcher.

#### FOREST, 18—SUNSET, 26

Forest was not able to hit its stride against Sunset. The baskets seemed to have lids on them for the Forest boys. Lloyd of Sunset took scoring honors with 14 points and Scott of Forest was second with seven.

The game was one of the roughest Forest played. Lillebridge and Stone of Forest fouled out, and McCain and Boyd of Sunset fouled out.

#### FOREST CUBS, 24—SUNSET, 20

The Forest Cubs came to life during the Sunset game, and hit the basket from all angles. Weber, Hearne and Schreiber starred for Forest. Schreiber scored seven points.

#### FOREST, 20—NORTH DALLAS, 25

The North Dallas Bulldogs lost four men at mid-term, but seemed to have a better team the second half than they had the first half. The Forest team was not able to repeat the victory that it scored the first half. The Forest defense started clicking during the last quarter, but Russel Bennet seemed never to miss the hoop for North Dallas. Mitchell and Scott led the scoring for Forest.

#### FOREST, 17—NORTH DALLAS, 13

The Forest Cubs were able to win the last game of the season. The game was too close for anyone to be comfortable. The score was tied up until the last minute. Weber played the best game for the Forest quintet.

The Forest track team of '39 has not one letterman back from last year. Forest had one of the most efficient teams in the city last year, but will start from scratch this year. Coach W. H. Keeling will probably surprise everyone by turning out a much better team than expected. The Forest' relay team of '38 set a record with the time of 3 minutes, 32.6 seconds at the regional meet.

The Forest team was very much weakened by the loss of Earl Burns, the outstanding dash man and captain. He had an appendicitis operation.

Probably the most outstanding boy on the team is Ray Womack. He has run the high and low hurdles in good time, and Mr. Keeling expects Womack to win these events in the city meet to be held April 6 and 7.

The dash men are Earl Williams and Jesse Barbee in 100 yard dash; Landsberg, Barbee and J. Redd in the 220 yard dash; Weber and Kuykendall in the 440 yard dash. Russell and Silverman will throw the discus. Lillebridge, Pribble and Primrose will throw the javelin. Lillebridge, Hooks and Phelps will throw the shot put. Phelps will also high jump. Williams is expected to win the broad jump. Smith, Dale, Cunningham and Lillebridge will enter the pole vaulting. Williams, Weber, Womack and Kuykendall will compose the mile relay team. Vita will represent Forest in the 880 yard run. Scott and Womack will run the high and low hurdles. Hearne and Miltner will run the mile.

**Third Row:** Left to right—Coach Burnett Cox, Charles Smith, Ed Dossett, Willard Worley, Ernest Genthener, James Roberts, Herbert Chisolm, Volney Stanberry, Tom Gillespie, Coach Alva Shepard.

The Lion batsmen show real prospects for a good season this spring. With four lettermen, Sultis, Stanberry, Taylor and Gillespie, returning, Coach Alva Shepard is putting out a winning team.

Forest turned in several decisive wins in pre-season practice games, and the team found good hitters in several men.

The starting line-up is as follows:

Charles Smith	Center Field
Pete Sultis	Left Field
Tom Gillespie	First Base
Ernest Genthener	Third Base

In the first match, which was with Sunset, Forest lost the singles match 4-6, 2-6 and the doubles lost 3-6, 1-6.

Our second match was with Adamson. The singles team was defeated 3-6, 3-6; the doubles were also defeated 3-6, 1-6.

### **BOYS TENNIS**

Lloyd Tuttle, singles, and Joseph Funk and Herbert Lambert, doubles, make up the Boys Tennis Team. All of these boys will be back next season.

Funk and Lambert defeated Sunset 6-3 and 7-5 in the first match of the season. Tuttle lost his match against Sunset 3-6, 7-5, and 6-2.

Tuttle won his second match against Adamson 6-1 and 6-4. Lambert and Funk lost 6-1, 3-6 and 6-2.

### **GOLF TEAM**

This year the Forest Golf Team has gone far under the able leadership of Mr. C. L. Ford. At present we are third in the city line-up. This is a very good start for Forest, as we had only one remaining letterman from last year, Earl Huddleston, captain of this year's team. Out of the few matches we have had this year, we have beaten North Dallas and Adamson. We lost to Sunset, last year's district champion, and Tech, runner-up last year. The boys on the golf team are Orville Taylor, Dean Stepter, Lloyd Vann, Earl Huddleston and Bill Embry. Joe Golman is business manager.

# FOREST FAVORITES

## CHARMAYNE SMITH

Charmayne (Billie) Smith has been known for her beauty, personality, and accomplishments since her freshman year. Her laughing eyes and friendly manner made her everyone's friend and the most popular girl in school. She is an active member of several organizations and has been yell-leader for two years. Billie, Forest wishes you the best.

## MARJORIE FREELAND

Marjorie Freeland is just "sweet little Marjorie" to everyone. Her sparkling, unaffected manner is her main asset. She is always ready to help in any way she can. She is an accomplished pianist and accordionist, as well as one of our very active cheer-leaders. These traits and many others make her one of Forest's favorites.

## MARY EVELYN FOSTER

Mary Evelyn Foster, our perfect blonde, is a favorite with all. Her humor and wit make her a very pleasant person to know. In her sophomore year, Mary Evelyn won the title of "friendliest girl," and represented the class in the Basketball Queen Contest. Her memory will be a pleasant one at Forest. We shall always remember her as that "adorable blonde."

## MAVIS MIZE

"Five feet two, eyes of blue"—that description belongs to Mavis Mize, that vivacious little Forester. She is everlastingly full of pep and deserves the title "the life of the party." It is interesting to note, however, that Mavis ranks well in her classes. She makes the honor roll, is a member of the National Honor Society, and serves very capably as treasurer of the Student Council.

## LOUISE HIEGEL

Louise Hiegel, one of the most likeable girls in school, has been popular with her classmates since her freshman year. Her sweet disposition and neat little way has made her one of our favorites. She is easily recognized by her beautiful eyes and individual smile. For her co-operative and tactful ability she was made a leader in our class as a sophomore and was elected secretary of our senior class. We wish you much success in the future, Louise.

## FANNIE ROSENBLOOM

Fannie is the popular but smart beauty who had popularity left over from her junior year. Last year Fannie was runnerup for "Forest Sweetheart." An honor student, a class leader, associate editor of last year's Forester, and an all around "swell" girl, Fannie is well liked by all for her friendly and agreeable manner, her charming smile, and her beauty.

## NORMAN PRIBBLE

Norman Pribble with his dashing personality and clever humor has been the most popular boy in his class since he was a freshman. He was president of the III-A Class, vice-president of the IV-B and IV-A Classes. In addition to promoting the class social activities, Norman lettered in football two years and was co-captain in his senior year. In the R. O. T. C. he has won many medals for his excellent marksmanship.

## SAM DAUGHERTY

Sam Daugherty is a perfect example of "personality plus." Although Sam was out of school for a year, his popularity was not lessened, and when he came back, he was elected cheer leader by a storm of votes. Sam, who speaks with a decided lazy, Southern drawl, did much to cheer up loyal Foresters during football season. Sam has a burning ambition to be a great politician, so we all wish success in a big bag for another potential president.

## ALTON RALSTON

Alton Ralston, better known as Lieutenant Colonel Ralston, is a young man possessing all the traits of a "perfect gentleman." His quiet, unaffected dignity merits the respect of his teachers and associates. Alton is at the head of the military corps and is president of the National Honor Society. With all his admirable qualities as an aid, we know that Alton will make for himself a worthwhile place in the world.

## LESTER LEVY

Lester Levy has been a leader of the class for four years. He has a sense of fairness and a will to work. He has always been friendly to everyone and has aided in various undertakings both cheerfully and competently. His ability to speak is a great asset. Especially shall we remember his splendid work in the Standard Debating Society, both as a member and as an officer. Forest loses Lester reluctantly.

## DURWOOD COMBS

"Half-pint" is well liked by both boys and girls, especially the latter. Durwood makes up for his lack of size by his dynamic nature. Although he weighs only one hundred and thirty-eight pounds, he lettered in football last year. He is cheerful, friendly, likable, and an exceptionally good sport.

## CORBIE TRUMAN

Corbie is the popular president of both the IV-A Class and the Student Council. His scholastic abilities and poise are envied by his classmates and well liked by his teachers, though his friends like him for his modest manner, geniality, good judgment, and love of fun. Corbie is planning to go to the army; but wherever it may be, we know he will be successful. The faculty and student body will long remember the tall, dignified, scholastic-looking, fun-loving Corbie.

## TEXAS WEEK

Texas Week at Forest Avenue High School proved to be as eventful this year as it has any other year since it was originated in 1931. Our principal, Wylie A. Parker, is the originator of Texas Week. This year Mr. Parker was honored by the Speech Arts Department in an assembly Thursday, March 21, 1939. Dr. J. F. Kimball and Dr. David Lefkowitz spoke on "Builders." Many prominent personages were present at this program to pay their respects to Mr. Parker.

Dr. Herbert P. Gambrell, professor of History at S. M. U. and director of the museum at the Hall of State, was guest speaker at the official opening of Texas Week in Forest on Monday, February 27, 1939. Dr. Gambrell spoke on "Better Understanding of State Traditions."

On Thursday night of Texas Week, the Texas History Class and the Forest Forum combined to present a play, "Westward People," by John William Rogers.

The P.-T.A., on Friday of Texas Week, dedicated a sixteen-foot pecan tree to Stephen F. Austin, "the Father of Texas." Members of the Texas History Club acted as pages at this ceremony.

And so another Texas Week came to a dramatic and colorful close.  
"Texas—One and Indivisible!"

## June, '39 Class History

In the fall of '35 three hundred aspirants for diplomas four years hence walked into the yawning mouth of higher education. As Freshmen, we members of the Spring '39 class spent our time being impressed by the more dignified Seniors, whom we hoped to emulate. With encouragement supplied by Misses Ruth Christopher and Margaret Brewer, and Mrs. Tallulah Pinckard, we elected Harry Bond, president; Selma Reisberg, vice-president; and Billie Smith, secretary.

"In the spring a young man's fancy lightly turns to thoughts of love," but the I-A class, now less self-conscious, elected Ramona Britton, president; Solon Ellis, vice-president; and Jerry Shallette, secretary.

Having at long last been elevated to sophisticated Sophomores, we were walking on air. However, with unbelievable skill we set to work and elected Marjorie Freeland, president; June Tiner, vice-president; and Fannie Rosenbloom, secretary. Our fall sponsor was Mr. Joe Wiley.

With our Easter bonnets in mind and spring in our hearts we elected Robert Lomas, president; Sarah Tankus, vice-president; and Mavis Mize, secretary. Serving in capacity of sponsor was Miss Junia McAlister.

Ah! But woe betide. With that exalted position of III-B's bestowed upon us, we felt that our worries were over. Alack and alas, we fell from our high horse and settled down to elect Mavis Mize, president; Selma Reisberg, vice-president; and Billie Smith, secretary.

"When it's spring time in the Rockies," it is getting hot in Texas and especially at Forest, where the energetic III-A's were laying plans for a gigantic Junior Prom. Officers who rode herd over the range were Norman Pribble, president; Francine Ellis, vice-president; and Eugenia Baise, secretary. Our new and greatly esteemed sponsor was Mrs. Emma Brown.

Looking down that last long stretch, we IV-B's, who knew the going would be rough, elected Corbie Truman, president; Norman Pribble, vice-president; and Mavis Mize, secretary. Chief social events were the sunrise breakfast held at Flag Pole Hill, and a formal dance held in a beautifully decorated gym.

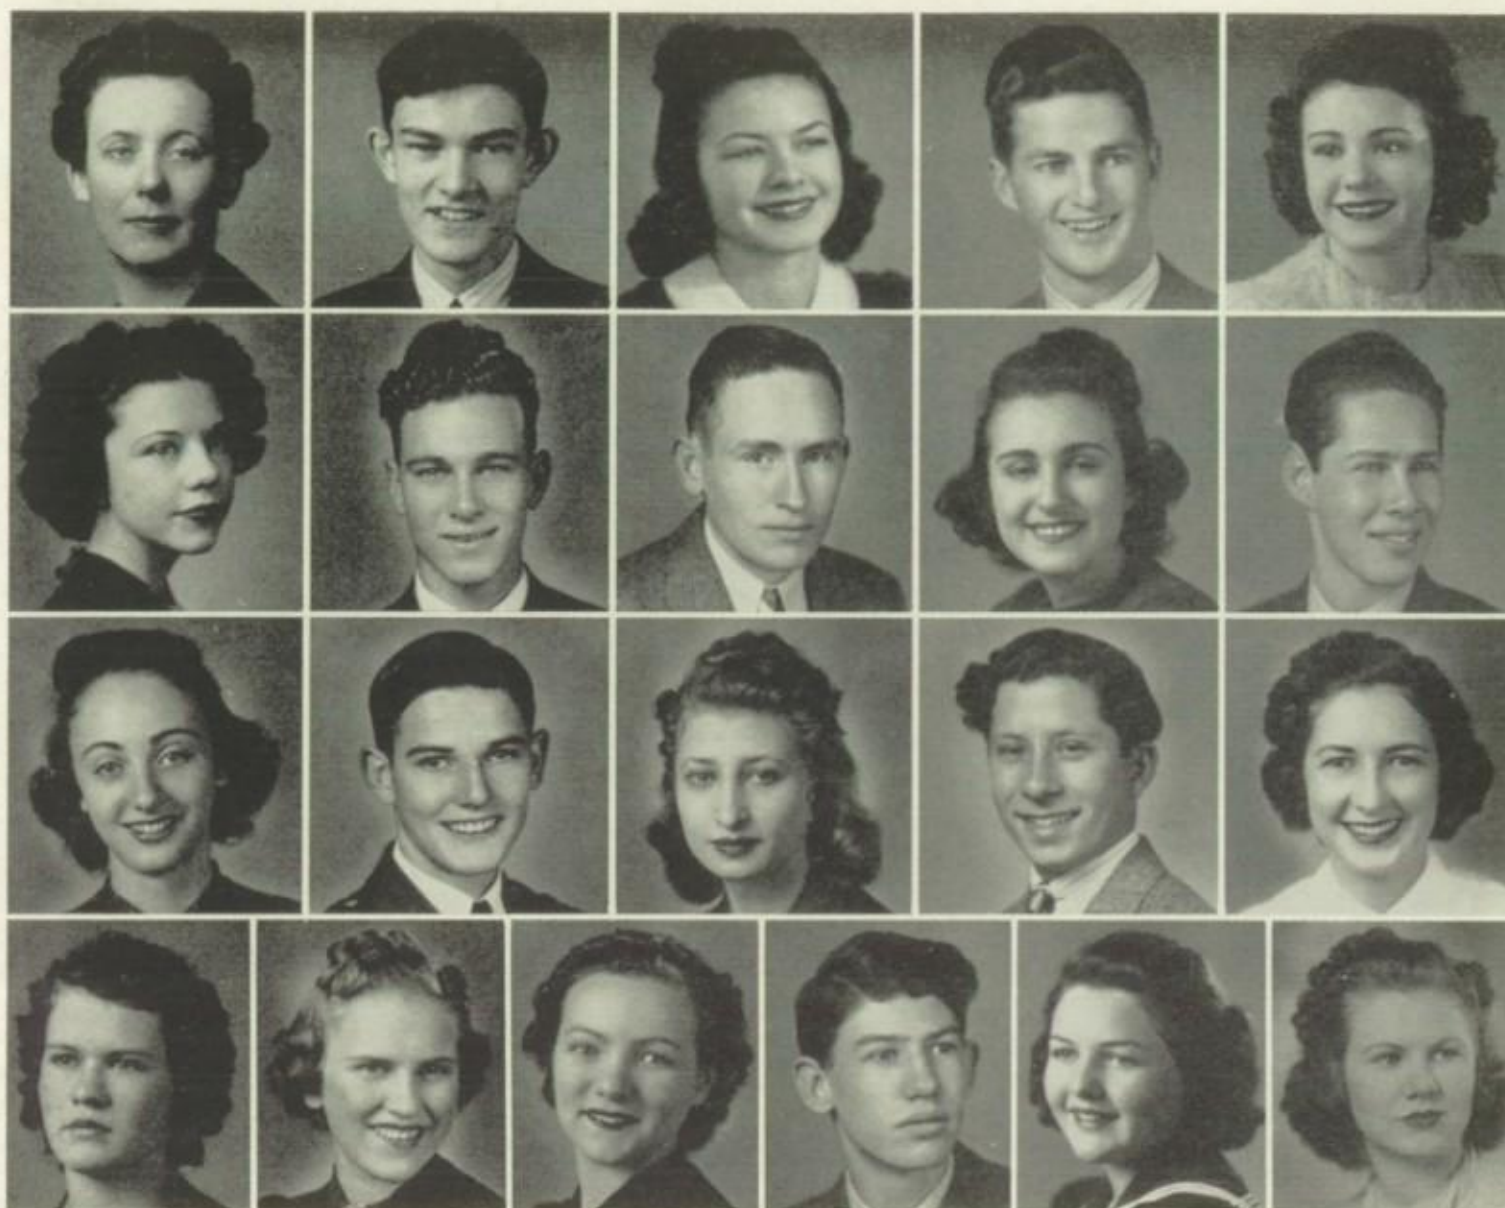

With only one change, that of electing Louise Hiegel secretary, the officers of the IV-A class remained the same. Our spring term was interspersed with many social events, among which were another sunrise breakfast at Flag Pole Hill and a formal dance. Senior Day came May 15 and Senior play on May 19.

As must all good seniors who study their lessons and obtain noteworthy grades, the Spring '39 class will receive their diplomas on Thursday, June 1, 1939, in the amphitheater on the Fair Grounds. Thus "finis" is written to another four-year story.

## GOODBYE, DEAR FOREST HIGH

(Tune: "Goodnight Little Girl of My Dreams")

We're all so blue,  
Because we're leaving you;  
Goodbye to dear Forest High School.

When we're away,  
We'll be sorry each day,  
For we'll miss our friends still in school.

We know that we'll be thinking of you,  
Thinking of all the things we used to do.

We'll part and then,  
We will return again  
To visit dear Forest High School.

—SELMA CORCHINE.

## WE'RE NOT FORGETTING SO SOON

(Tune: "Have You Forgotten So Soon?")

We're not forgetting so soon  
That first enrollment day—  
The seniors' joking calls  
And how we always lost our way  
In Forest's crowded halls.  
We were so young and silly,  
As helpless as can be—  
We're not forgetting so soon.

We're not forgetting so soon,  
How much we didn't know,  
Our feelings so forlorn  
And how we scanned the ECHO  
For our names on Wednesday morn.  
We had a lot of trouble,  
But joys were more than double—  
We're not forgetting so soon.

We're not forgetting so soon  
Our picnics in the spring,  
Our parties in the fall  
And how we always crammed  
For subjects in the study hall.  
We feel as you have guessed—  
That those days were the best—  
We'll not forget them so soon.

—ROSE MARCUS.

## WE'RE LEAVING FOREST HI

(Tune: "Funny Old Hills")

We're leaving this dear school of Forest Hi,  
Were saying good-by, saying good-by  
And our dear old school sings back today,  
"Better come back, come back, come back,  
Don't stay away."

Gonna leave our friends,  
Gonna leave our books that kept us company—  
We'll never forget this senior day  
And the things that used to be.

But we'll forget those cards  
And all our failing grades.  
We're saying good-by, saying good-by,  
We hate to leave this school we love.  
We're leaving this school.  
Good-by, good-by  
To Forest Hi.

—MARY HELEN BRIGGS.

## CLASSMATES, STAND TOGETHER

(Tune: "Don't Give Up the Ship")

Classmates stand together  
To bid a fond farewell  
To their Alma Mater,  
The School for which their hearts will always  
swell.

Four long years together  
At dear old Forest High,  
They've cheered the team  
And studied lessons,  
Danced and sung at social sessions,  
At dear old Forest High.

Seniors stand together  
To say their last good-bye,  
To the School they cherish,  
The memories of which will never die.  
Its faculty and students  
With friendly smiles so true;  
Its rooms, its halls, and its gym balls,  
Their hearts have gladdened and leaving  
has saddened  
Dear old Forest High.

# DO YOU WANT TO LOOK YOUR BEST?

You can only look your best when your skin is clear and healthy and free from blemishes. Two reasons blemishes afflict young people are

## **First.....**

- The skin is likely to be oversensitive between the ages of 13 and 25. Then sluggish intestinal action may bring on these eruptions.

## **Second..**

- You may require extra Vitamin A, a vitamin important in helping to keep the skin attractive looking.

FLEISCHMANN'S HIGH VITAMIN YEAST offers aid for *both* these troubles. This *fresh* yeast can help quicken sluggish intestinal action! And two cakes give you over 6,000 units of Vitamin A!

Many girls and boys with skin blemishes report wonderful results in under 30 days. *Eat two cakes every day*, one-half hour before breakfast or lunch, another one-half hour before supper.

## **TO THE TEACHERS**

They made us study long and hard;  
How could we now forget it?  
But they taught us to study right,  
And we will not regret it.

We leave them here as we go on;  
This parting now will grieve us—  
But each one left his mark on us,  
And that will never leave us.

—MARCIA RAY.
